IN AND AROUND THE CITY.

LOCAL BRIEFS.

Fruit is plentiful and cheap.

Young men's Greeley & Brown Club meets to-night.

Catawba grapes are one of the delicacies of our city market.

The election frauds are general throughout the State.

The Daily NEWS is delivered to city subscribers at 15 cents per week.

The Daily NEWS contains the latest telegraphic news from all parts of the world.

Many citizens from Eastern Carolina pass through the city daily *en route* to the mountains.

It is estimated by careful figuring that Caldwell's so called majority will not exceed 560 votes.

The Rads show much uneasiness under the heavy reports of frauds from every section of the State. No wonder!

Letters received yesterday from every section of the State complain of the perpetration of great and flagrant frauds in the election.

An intelligent gentleman from Chatham county, report most stupendors and startling frauds in several of the township of that county.

Many of our friends are confident that the reported frauds will be so palpaby clear and plain, that the rads will give up the ticket without a contest.

There is but one sentiment in regard to the election with our party, and that is that Judge Merrimon is elected Governor of North Carolina by a handsome majority. We feel it, we believe it, we know it.

The election excitement has not yet died out on our streets. The official returns at the Secretary of State's office are watched and waited for with eager interest. Our party have not as yet given up the result, though the figures as reported are a few hundred against us. There is hope and a bright hope of the election of Judge Merrimon.

The rads pow-wowed last night with a heavy heart, and consequently their performance plainly evinced a wonderful lack of enthusiasm. But for the fact of their extensive notice, and immense preparations, we rather think they would have "gin in" but under the pressure they "went it blind" and succeeded after getting a large number of the party drunk, in raising a noise.

A NUISANCE.—In front of the Market House, which is unfortunately located on Fayetteville street, exists a nuisance that should be abated by the police.—At all times, night especially, the entire pavement is occupied and blocked by loungers and loafers of both colors and sexes, all ages and sizes; and in order to pass, it becomes necessary to pull and press your way through. We have frequently seen ladies cross the street in the day to avoid the crowd idling at this point, and at night it is impossible almost for a gentleman and lady to pass. We have before appealed to the police, who gaze admiringly on this scene now we make a plea to his Honor the Mayor to have this nuisance abated.

HURRY UP. Only seven counties have as yet reported officially to the Secretary of State. Why then delay when it is so important that we should know at once who is the coming man. If the present incumbent is the successful candidate he is not sufficiently aware of it to crow. We honestly believe that A. S. Merrimon is the Governor elect of North Carolina, and we shall believe it until we see Gov. Caldwell take his oath of office. So hurry up your documents and let us know how we stand.

THE EXCITEMENT.—In our yesterday's issue we spoke of the intense feeling and excitement manifested by our citizens the past week. Mr. White, the correspondent of the New York *Tribune*, in one of his able letters to that paper, thus refers to the same subject:

For the first time to-day has the Administration begun to hope for success, and, as the result of the election becomes more doubtful, the excitement increases. The telegraph and newspaper offices are the central points of interest, and have been thronged all day with crowds of men eager to get the latest news. They crowd around every one to whom a message is delivered, and almost tear it to pieces in their eargerness to learn its contents. This evening the rush in the telegraph office and in the insurance office in the same room was so great that it became necessary to call upon the police to clear the place and allow no one to pass the door unless he had special business within. But the people congregated upon the sidewalks and in the streets, and waited hour after hour and late into the night, hoping that some news might yet come that would decide the election. The editors of the local newspapers have been able to do nothing to-day but figure on the returns, and even this they did under difficulties for the people crammed the editorial rooms, crowded about their chairs, leaned over their shoulders to watch the progress of the computation, and even perched themselves upon the editors' tables in the anxiety to learn the result of the computations. Lawyers have locked up their offices or left them in charge of the boys. Merchants have left their stores, and nearly every kind of business except the telegraphic has been virtually suspended since last Thursday morning. At the State House, the Administrationists had their headquarters and their whole force of State officers and clerks at work on election returns, attempting to figure out a majority for Caldwell.

During the morning several messages were received from the east and west which indicated considerable losses for the Conservatives not before expected, and the Administrationists were jubilant. The negroes, for the first time since election day, seemed to take an interest in the result, and gathered in the streets and about the State House in great numbers. The Conservatives were obliged to admit that the result did begin to look doubtful, and some even gave up the State. At a time of the greatest excitement an old Doctor rushed into the *Sentinel* office, where a large crowd had gathered, and announced that the Conservatives had not lost as many votes in States as they had supposed they had, by 200. The crowd were almost incredulous, but when he produced the dispatch they seized his hands and almost embraced him. A similar scene occurred at the State House this afternoon. A report was received that the Grant men had gained 200 votes in Surry, and the negroes were wild with excitement, and their cheering could be heard a mile away. I have seen men excited on election night in New York, and in other cities, but on the next day matters fall back into their old ways and the world moves on as though no election had occurred; but now four days have passed since the election took place here, and the people are more excited than on the evening of the first day.

INTIMIDATION.—From several sections in the State as well as in our immediate vicinity, we hear of outrages committed upon colored men for voting the Conservative ticket by other colored men. The Warrenton *Gazette* says:

"There were several colored men who voted the Conservative ticket at Shocco. One of the voters, who lives on the plantation of Col. Wharton J. Green, was surrounded by a motly, ragged set of infuriated Radicals, and his life seriously threatened. They abused, cursed, threatened and intimidated him, and had it not been for the interference of Col. Green, he would have been mercilully beaten."

We ask our friend Foote of the *Gazette*, to have them arrested at once and brought before U. S. Commissioner Goodloe or Harrison, either one of whom will issue the warrant. If no U. S. Marshal is at hand let them order one of the three hundred in this section. It is treating our colored friends with great injustice to refuse them assistance in the hour of danger, and we should not hesitate to do it.

THE NEWS AND THE PRESIDENTIAL CAMPAIGN.—The NEWS will now enter most vigorously into the Presidential campaign, and will most vigorously advocate Greeley and reform. We do not acknowledge the late result in this State as an honest defeat, but claim it as a national victory obtained in the face of every disadvantage.

As we have fought with all our ardor in the State election, we shall continue to do so in the Presidential contest, and we shall endeavor to make the NEWS not only a live political journal, but a thorough newspaper. We trust our friends will assist us in advancing our circulation. See our club rates, and send in the names of subscribers from every community.

GREELEY AND BROWN CLUB.—We are requested by Dr. H. J. Menninger, first Vice President of the young men's Greeley & Brown Club, to announce a special meeting of the Club at the Court House this evening at 8 o'clock. A meeting of citizens is also called in conjuction with the meeting of the Club, to take into consideration the expediency of having a grand celebration on Saturday night in honor of the great National victory achieved in the late contest: the election of our Congressmen, our General Assembly and the defeat of John Pool, and Capt. Settle. A prompt and large attendance is earnestly desired.

PAINFUL ACCIDENT.—We regret to learn of a painful accident to the little son of Mr. May Warren, of Wilson, while on a visit with his mother to Mr. George W. Wynne in this city. The little boy was playing in the parlor with a son of Mr. Wynne when he stumbled over a chair and falling broke his leg. The little sufferer was taken home yesterday, his condition being as favorable as circumstances would admit.

PAID UP.—Governor Caldwell on yesterday ordered the payment of $6,000 to A. M. Wishart, Esq., the gallant young man that killed Stephen Lowrey, the outlaw, to avenge the murder of his brother Colonel Wishart by the Lowrey gang, sometime since. Upon the requisition Treasurer Jenkins paid the amount.

PERSONAL INTELLIGENCE.—Alex. Sprunt, the British Vice Consul at Charleston S. C., with his wife and daughter, arrived in the city yesterday evening and took rooms at the Yarborough House.

Col. T. B. Long, general Postal Agent for North Carolina, is at the National.

Capt. Chas. G. Elliott, of Norfolk, Va., passed through the city yesterday evening *en route* West.

Blair Burwell, Esq., of Baltimore, Md., is in the city.

Capt. Jas. R. Thigpen, Editor of the *Reconstructed Farmer*, honored our sanctum with a visit yesterday evening.

THE RALEIGH FEMALE SEMINARY.—We are pleased to learn that this excellent school, of which Professor Hobgood is Principal, opened its Fall Session last week, under the most favorable auspices. A good number of pupils has already entered and many more are expected during the next week.

EPIDEMICS IN RUSSIA.—The latest official statements show the cholera epidemic to extend over most of the new governments and all the southern and southwestern governments. Up to the 11th of July there were 565 cases in St. Petersburg, of which 340 were fatal. In Moscow there have been only a few cases of cholera. Poland is still untouched by the epidemic. Small pox is very virulent at St. Petersburg. As many as 76 cases have been reported in one day, 22 proving fatal.

RALEIGH, N. C., March, 1872

Mr. Stillman, Agent of "The Howe Sewing Machine":

We have had your Machine in use in our family for four months, and can safely recommend it to the public for its simplicity, beauty as a piece of furniture, and as a "help" to those of us with large families, it is a "sine qua non." We have made with it, in addition to the usual household work, over one hundred garments, large and small, including Pants, Coats, Dresses, &c., some of which were heavily trimmed, two of the dresses containing from 100 to 125 yards of tucking. It is worked with much ease, requiring but little exertion. We would not be without one for three times its cost.

Yours &c.,

After a prolonged conference, the Liberal Democrats and Reform Committee failed to agree. The Democrats and Reformers demanded four places on the State ticket, including the Governor and Lieutenant Governor.

Horace Greeley had a fine reception at his old home, cannon and a band of music were with the procession. A joint delegation from Manchester and Concord conducted Mr. Greeley to Concord to-day.

MIDNIGHT DISPATCHES.

Washington Affairs.

WASHINGTON, August 8.

Frequent inquiries are made at the United States Treasury office, both verbally and in writing, with regard to the receiving of money derived from the sale of property belonging to the Confederates, and confiscated by this Government during the late war. Many suppose the Treasury not only has the money thus collected, but is authorized to refund it. This, however, is a mistake as to the Southern States, although several small sums have been refunded to ex-Governor Letcher and others, arising from the sales of confiscated property in the District of Columbia, only.

Weather Report.

WASHINGTON, August 8.

Falling barometer and cloudy weather, with rain and southwesterly winds in the northwest to the upper Mississippi valley, and on the upper lakes. Partly cloudy weather in the Ohio valley, with southerly and easterly winds extending to the lower lakes. Southerly to westerly winds on the Gulf, with clear weather on the South Atlantic coast. Light southerly to easterly winds, with light coast rains and cloudy weather from Florida to Virginia. Southeasterly winds and partly cloudy weather in the Middle and Eastern States.

IRREVERENCE.

"THERE MAY BE SOME DEMOCRATS PRESENT WHO ARE REPENTANT AND I LIKE TO PREACH TO SINNERS. YOU HAVE HEARD OF THE FELLOW WHO SAID, 'I CAME NOT TO CALL THE RIGHTEOUS, BUT SINNERS, TO REPENTANCE.'"—*Delano in his speech at Raleigh.*

THE OFFICIAL VOTE.

In our election table on the third page will be found the official vote of 60 counties. The footing up of these counties gives Merrimon a vote of 71,000 and Caldwell 72,350, a majority to Caldwell thus far of 1,350. In the remaining 32 counties Shipp's majority in 1870 was 1,123, but the semi-official returns in from the remaining counties indicate positively that on the final count Caldwell will only have some 1,000 majority.

To give some idea of the increased vote in the State, and the probable fraud perpetrated, we will give the following facts from Halifax county, where it is known that frauds were perpetrated: the census of 1870 gives the voting population of Halifax as 4,455; the vote of the county in 1870 was 4,557, and in 1872 it rolls up to 5,307—an increase of 730 on the vote of 1870, and 852 over the census voting population of that year.

UNTRUE.

Recently, in a speech at Milford, Mass., General Butler made an attack on Mr. Greeley, and in the course of his remarks stated that in case of his election the South expected pay for their slaves.

Such an argument as this is so puerile and savors so much of the demagogue that it is hardly deserving of notice, and we have in this a specimen of the speeches made to influence Republicans in the North and of the false impressions created.

No sane man in the South imagines for a moment that he will ever be paid for his slaves and Butler knew it was untrue when he stated it.

General Butler further says: "These men (meaning the Southern people) should be kept on probation four years longer." He, then, like Boutwell, is opposed to the friendly policy of Mr. Greeley, he opposes a revival of fraternal feeling between the North and South, and would still further oppress the Southern people. He but utters the sentiment of his party and we and can such a policy be supported by the honest men of the country.

NOT ANXIOUS.

President Grant a few days since, in conversation with a correspondent of the New York *Herald*, stated that he was not anxious for a second term of office, and only consented to receive the nomination in order to discover whether a majority of the people believed all that has been alleged against him and his Administration.

The idea that he did not desire the nomination of his party is simply ridiculous, no one believes it, and it the issue in the campaign is as to the purity of his Administration, it will be decided to be a corrupt concern, the great political ulcer in the history of the Government.

THE BANNER COUNTY.

Macon county polled 655 vote for Merrimon and 130 for Caldwell. Judge Merrimon received over 83 per cent. of the entire vote cast in the county. The Merrimon majority was 241 heavier than that of the Shipp majority, notwithstanding the fact that 100 Conservative votes have been taken from the county since 1870 in the creation of Swain county. Hurrah for Macon!—What county did next best?

WHO IS ELECTED BY THE HONEST VOTES OF THE PEOPLE OF THE STATE?

As fair play is a controlling principle in the character of every gentleman, so it should be a cardinal point in the conduct of every political party. If Tod R. Caldwell has received an honest majority of one vote, we will go as far as his nearest political friends in opposing a captious and fruitless contest.

Has he received a majority of the legal votes cast? We are frank to say, that from the sources of information within our reach, we are clearly of the opinion that the ticket headed by Augustus S. Merrimon has received a decided majority of the lawful votes polled in the State. Abundant evidence to this effect is accumulating upon every side. In our own county of Wake, at the largest precinct without the city, the votes were taken for hours without the slightest reference to the books of registration. A leading Radical who seemed to control matters in his own way, stated that "he didn't believe in registration laws any how," and consequently, the books were not opened before eleven o'clock. Up to that time some four hundred persons, chiefly negroes, had voted, and as Rolesville, the voting place, is near the Franklin county line, the conclusion is obvious. These facts were proven before the Commissioners of Wake, but as might have been expected, the vote of the township was received. Mr. F. H. Busbee, in behalf of all the candidates, then notified the Commissioners that an appeal would be taken.

We suggest to the candidates upon our State ticket to have the poll-book and registration books of Wake Forest township compared at once, before Radical ingenuity has made the one agree with the other. It is to be hoped that this notice does not come too late to prevent such manipulation from being effected.

In the county of Franklin, at Hayes' precint, we believe, gross frauds were perpetrated which ought to be investigated.

In Martin county such illegal registration and fraudulent voting took place in Hamilton township, as to oblige the Commissioners to cast out the entire vote of the precinct. Jamesville township, in the same county, will doubtless be thrown out for the same cause. A similar state of facts with a like result, transpired in one of the townships of Brunswick county.

Definite statements of fraud reach us from Bladen, Halifax, New Hanover and other counties. Many of these reports were made at a time when it was confidently believed that Judge Merrimon was elected, even according to the Radical count.

In the city of Raleigh, despite the well organized system of watching the polls inaugurated by George H. Snow, Esq., Chairman of Wake County Democratic Executive Committee, many illegal votes were cast, for the most part by boys under age And so it doubtless was all over the State.

The returns yesterday make it almost certain that Caldwell's reported majority will not reach one thousand. In view of this fact, what do the people ask of Hon. A. S. Merrimon and his co-adjutors upon our ticket? Will they not say with one accord: "At Greensboro, on the first of May last, we entrusted our banner into your hands. For three months, with an unflagging zeal and wondrous ability, you have fought for us a gallant fight. By the unlimited use of all the appliances of corruption, the Federal bayonet and the Federal Treasury, by the unscrupulous use of fraudulent means, you have apparently been defeated. In our hearts we believe that you have fairly won the fight. Continue in your good work; relax no efforts until it is clearly demonstrated, one way or the other, who is the people's choice. And know, whatever the result may be, that you will ever carry with you the good wishes and the prayers of the honest people of North Carolina."

We believe that our candidates can not be insensible to this appeal.

But to render this exposure sure and blasting, every patriot must lend his aid. Caldwell has less than one thousand majority! Ten fraudulent votes proven in each county will pierce the Radical bladder and expose the hollowness of the office-holder's triumph. An average of a single illegal vote proven in each township, will assure us success. Freemen of North Carolina! do you need to be urged to work in this good cause? You who live in the border counties must be particularly active. Numbers of negro voters from Virginia and South Carolina were poured in upon you. Expose these frauds. Collect testimony. Keep a stout heart, and all will yet be well.

CHATHAM COUNTY.

We are confident injustice has been done our friends in Chatham by their being censured for the increased Radical vote there last week. In 1870 some 550 negro voters did not vote, and the liberal use of money having induced them to come out this year accounts for the increase. We are confident our friends did well their duty.

During July the value of the exports from Philadelphia was $2,218,910. Among the articles were 423,000 bushels of corn, 6,330,000 gallons of petroleum, 1,173,489 pounds of tallow, 296,849 pounds of tobacco, and 143,000 gallons of molasses.

OBJECTIONS TO GREELEY.

Some Democrat, keeping alive the animosities and bitterness of the past, declare that they cannot so far sacrifice their political principles as to vote for Horace Greeley for President, and as a reason for such a course urge the past history of Mr. Greeley and the opposition which he has always shown to their party. Taking this view of the case, some few who have heretofore acted with the Democratic party, will, in the hour of trial and danger, desert their colors and go over to the enemy. We rejoice, however, in a knowledge of the fact that such instances are rare and will have no material effect either on our organization or on the vote in November.

It is true that Mr. Greeley's policy has been one of opposition to the Democratic party, and that his creed was antagonistic to that of the Southern people, yet no one ever doubted his political honesty, or charged him with being the pliant tool of scheming politicians. His line of policy has been straight forward, determined, consistent from the time of the commencement of his political life to the present and yet, with a narrow minded view of the present condition of affairs, these gentlemen cannot support him.

Will any of the Southern people follow the example set them by Colonel John S. Mosby, of Virginia, and support Grant in preference to Greeley?

A brave man can forget an injury, and as it is with an individual so it is with a people. If any consider themselves aggrieved by Mr. Greeley's course, they should remember that it was nothing save an honest expression of views, and let them also remember that among the first among Republican leaders in the North to advocate universal amnesty to the South was Horace Greeley. He then proposed forgetfulness of the past, and now proposes to the South to "clasp hands across the bloody chasm."

By failure to come to the rescue of their country at this time, Democrats are recreant to the interests of their country. We admire devotion to principle when principle is at stake, but by every consideration of interest, by every patriotic impulse, the people should feel themselves called upon to support Greeley and by doing so principle will not be sacrificed. Grant has almost ruined the country, has defied every principle of law, and no man can tell what would be the result of another administration of four years. In that time he would destroy every landmark of our government, and on the ruins of the American Republic would rear a more galling despotism than at present exists.

Startling Suicide—A Prominent Citizen Shoots Himself.

About half past 5 o'clock yesterday morning our community was startled by the announcement that Mr. John Boisseau had shot and killed himself in his room over the store of Howell Bros., on Main street. A large crowd soon gathered about the house, and great eagerness was manifested to obtain the particulars of the horrible tragedy.—They are briefly as follows, as we were enabled to gather them:

About the hour named, the Messrs. Howell, who occupy a room adjoining that of Mr. Boisseau, had their attention attracted by Mr. B. closing and locking a door which communicated with their room, and which generally stood ajar. Immediately afterwards they were startled by the report of a pistol in Mr. B's room, and the alarm being given, they, in company with others, broke open a window opening on the porch of the room, and upon entering found the lifeless body of Mr. B. stretched out on the back on a pallet on the floor, with a Smith & Wesson five shooter tightly grasped in the right hand, and the blood oozing from a wound near the centre of the forehead and just above the right of the left eye, showing where the fatal bullet had entered on its mission of death. He was entirely dead when the gentlemen who entered the room reached him; and from the position in which the body lay, it was evident that death was instantaneous, and without a struggle. From the situation of the body, it is supposed Mr. B. was sitting on the pallet when he fired the shot; and from the fact that his left hand was badly scorched by powder, it is believed that the barrel of the pisiol was grasped with his hand, with the muzzle pressing against the forehead, while with the right hand the weapon was fired.

Mr. Boisseau was a native of Petersburg, and we suppose was about fifty-five years of age. He was endowed with very great intelligence, and was regarded by all who knew him as an honest and upright man in all the business relations of life. He was for some time prior to and during the war, presiding justice of Campbell county, and was once sergeant of the city. He was prominent as a Republican politician, and last fall was a candidate for the State Senate, but was defeated by Major Kirkpatrick He was a delegate from this district to the Philadelphia Convention, which re-nominated President Grant, and stood high in the estimation of his party.

Mr. Boisseau left nothing behind him by which the cause for the rash act of self-destruction can be certainly known. Is is, however, supposed that it was produced by pecuniary embarrassments, brought on by speculations in tobacco, and it is believed that he had for some days contemplated suicide, as on Friday last he had his pistol loaded at Fisher's gun store, and was particular in getting Mr. F. to him how to fire it, telling Mr. F. at the time he might soon have occosion to use it.—Nothing was thought of this, however, until the intelligence of his death recalled it to mind.—*Lynchburg News.*

Governors Wolfe, of Maryland, and Walker, of Virginia, are expected to speak at the coming Greeley and Brown ratification meeting in Washington City.

A SOCIAL AFFRAY IN FRONTIER SOCIETY.—The Denver *News* of the 24th ult. says:

The second affray to which we refer occurred on Saturday last. Charles Morris, a well known resident of Cimarron, was shot dead near the store of Mr. Merrick, in that city, by a man from Red river, and known only by the sobriquet of "Chuck." Some feud had existed between these men, but Morris anticipated no harm from the feeling, and he was unarmed. The two met, an altercation ensued; Morris seized "Chuck," and tried to hold his arms down; the latter resisted, seized his revolver, and firing over his shoulder, shot Morris at the base of the left ear, through the brain. He leaves a widow and a young family. "Chuck" surrendered himself to the Sheriff, and had his hearing on Monday. The verdict of the jury was "justifiable homicide." The court-room was filled with partisans of both sides armed to the teeth, and in the midst of the examination, the whole court, prisoner and all—save and except the justice—adjourned to a neighboring bar to take a drink. Rather grotesque reading to those at a distance, but not so to the citizens of Cimarron.

A COLORED MAN DECLARES FOR GREELEY. The Manassas *Gazette* publishes the subjoined letter from a colored man:

MANASSAS, Va., July 30, 1872.

Hon. Lewis McKenzie:

DEAR SIR—After mature deliberation and a study of the political antecedents of Horace Greeley and Gen. Grant, I have determined that it is my duty, and I believe the duty of my race, to support Horace Greely for President of the United States. While we owe a debt of gratitude to Gen. Grant as a brave and successful defender of his county, we owe an equal debt of gratitude to Horace Greeley as a lifelong defender of human rights and the freedom of our race. I cannot doubt the honesty of Mr. Greeley, nor do I doubt, if elected, he will administer the laws alike to all. I am a Republican of course, and by supporting Horace Greeley, I think I but fully carry out the true principles of the Republican party.

Very respectfully,
HEWSON PINN, JR.

ANOTHER MONSTER DIAMOND COMPANY.—A telegram from San Francisco says that a second diamond mining company, claiming to be the original discovers of the new diamond fields in Arizona, which they locate in the foot hills of the Pinal Mountain, has already been incorporated with a capital of $1,000,000 and propose to dispossess the first incorporated company.

A third company, under the direction of George M. Green, the commander of the American Legion, which served under Juarez against Maximilian, and who found large quantities of these stones while crossing Arizona to join Juarez at El Paso, is also forming.

The postoffice at Mount Gilead, Loudoun county, Va., is discontinued in consequence of the refusal of the postmaster to execute a new bond, and in the absence of any candidate, a new posoffice is established at Woodbine, Prince William county, Va., on the route from Manassas, to Dumfries, with Levi C. Lynn as postmaster. Lewis Brown is appointed postmaster at Hobb's Ferry, Giles county, Va., vice Thomas J. Hobbs, deceased. A new postoffice is established in Rock House, Russell county, Va., on the route from Lebanon to Piketon, with John R. Kiser as postmaster.

Alex. E. Boteler has consented to become an independent candidate for Congress, in the Jefferson District, in West Virginia, with the distinct understanding that if the Radical party should put a candidate into the field he will withdraw.

SPECIAL NOTICES.

MIDSUMMER MALADIES.—The hot solar rays that ripen the harvests generate many distressing diseases. If the liver be at all predisposed to irregularities, this is the season in which bilious attacks may be anticipated. A weak stomach, too, is weakest in the summer months, and the loss of vitality through the pores by excessive perspiration is so great, that a wholesome tonic combining also the properties of a diffusible stimulant, and gentle exhilarant, is sometimes necessary to health, and under circumstances should be dispensed with by the sickly and debilitated. Of all the preparations intended thus to refresh, sustain and fortify the human frame, there is none that will compare with Hostetter's Celebrated Stomach Bitters. They have been weighed in the balance of experience and not found wanting; have been recommended from the first as a great medical specific, not as a beverage, and in spite of interested opposition from innumerable quarters, stand, after a twenty years trial, at the head of all proprietary medicines intended for the prevention and cure of the ordinary complaints of the stomach, the liver, the bowels, and the nerves. In the unhealthy districts bordering the great rivers of California, Hostetter's Stomach Bitters may be classed as the standard cure for every species of intermittent or remittent fever. The people who inhabit these districts, place the most implicit confidence in the preparation—a confidence that is increased every year by the results of its operation.
As bitters, so called, of the most pernicious character, are springing up like fungi on every side, the public is hereby forewarned against the dram-shop nuisance. Ask for Hostetter's Bitters, see that the label, etc. are correct, and remember that the genuine article is never sold in bulk, but by the bottle only.

"THE LIFE OF THE FLESH IS THE BLOOD." This being the fact, it is very obvious that when the blood becomes corrupted the whole system becomes corrupt also. To relieve this, the true policy undoubtedly is to direct the remedy to the source of the disease. It is in this manner that Dr. Tutt's Sarsaparilla and Queens delight acts. Its specific effect is on the blood; it purifies it, vitalizes it, and expels all distemper from the system.
Being free from violent Minerals, it is adapted to general use. The old and young may use it; the most delicate female at any time, may take it; the weak an enfeebled may take it; the tender infant, who may have inherited diseases, will be cured by it.
For Syphilis, and all its trains of evils, it is a sure antidote.

Dr. Tutt's Liver Pills are a mild and gentle purgative, possessing the peculiar merit of acting as a powerful agent in relieving congestive or torpid liver. They have no equal.

Dr. Tutt's Hair Dye Imparts a Glossy Color.

A WHOLE PEOPLE'S OPINION.—When a nation of forty millions accepts and endorses as a STANDARD RESTORATIVE an article that it has had the fullest opportunities of testing during a period of twelve years, who can be so absurdly incredulous as to doubt the excellence of the preparation? PLANTATION BITTERS has passed through this ordeal and is now the most popular proprietary medicine on this continent. It would be difficult to find a adult of either sex between the Atlantic and the Pacific or between the northern corner of Maine and the Gulf of Mexico who does not know, either from personal experience or observation, that this renowned vegetable remedy is the purest tonic and stomachic and the finest alterative and regulating medicine at present before the world. As a preventive of, and cure for diseases generated by miasma, and as a specific for dyspepsia, rheumatism and all nervous and bilious affections, it is admitted to be fairly pronounced the Favorite Household Tonic and Alterative of the Western Hemisphere.

Dr. R. V. Pierce, of Buffalo, N. Y., in his book on Chronic Diseases, says in regard to his Golden Medical Discovery, with which our readers are familiar: "From its wonderful power over Consumption of the lungs, I had thought strongly of calling my Consumptive Cure; but from the fact that it is a perfect specific for the sore throat and hoarseness to which ministers and public speakers and singers are subject, and also for Bronchitis, and all severe Coughs, and is an invaluable remedy for diseases of the Liver, and also as a Blood Purifier, I decided not to apply to it a name which might mislead and prevent its use in other diseases for which it is so admirably adapted.
"It will cure a cough in one half the time necessary to cure it with any other medicine, and it does it not by drying it up, but by removing the cause—subduing the irritation and healing the affected parts."
This valuable medicine is sold by all first class druggists.

A NEW BEAUTIFYING AGENT.—All Dentifrices had their drawbacks, until the Salubrious Bark of the Soap Tree was brought from the Chilian Valleys to perfect the fragrant Sozodont, the most delightful article for the teeth that a brush was ever dipped into.

"CHILDREN'S LIVES SAVED FOR 50 CENTS."—Every case of Croup can be cured when first taken, by Dr. Tobias' Venetian Liniment, warranted for 24 years, and never a bottle returned. It also cures Diarrhœa, Dysentery, Colic, Sore throat, Cuts, Burns and External Pains. Sold by the Druggists. Depot, 10 Park Place, New York.

VENUS herself would not have been beautiful if her complexion had been bad. If beauty is skin deep, it is necessary to secure and retain that part of it; and ladies, instead of resorting to paints and powders, should remember that an impure, blotchy or sallow skin is the proof of feeble digestion, torp'd liver, or vitiated blood, for all which Dr. Walker's Vinegar Bitters is a safe, sure and effectual remedy.

BURNETT'S COCOAINE.—No oils, nettled pomades or alcoholic washes—foreign or domestic—can compare with Cocoaine as a hair Dressing. It anchors the hair firmly in the scalp—gives it new life and lustre—and renders it the "crowning glory" of both sexes, young and old.

PRATT'S ASTRAL OIL.—More accidents occur from using unsafe oils, than from steamboats and railroads combined. Over 200,000 families continue to burn Pratt's Astral Oil, and no accidents directly or indirectly have occurred from burning, storing or handling it. Old house of Chas. Pratt. Established 1770, New York.

A BEAUTIFUL WHITE, soft, smooth and clear skin is produced by using G. W. Laird's "Bloom of Youth." It removes tan, freckles, sun, and all other discolorations from the skin, leaving the complexion brilliant and beautiful. Sold at all druggists. This preparation is entirely free from any material detrimental to health.

JUST THE REMEDY NEEDED.—Thanks to Mrs. Winslow's Soothing Syrup, we have been relieved from sleepless nights of painful watching with poor, suffering, teething children.

FOR DYSPEPSIA, Indigestion, depression of spirits and general debility in their various forms; also, as a preventive against Fever and Ague, and other intermittent fevers. The Ferro-Phosphorated Elixir of Calisaya, made by Caswell, Hazard & Co., New York, and sold by all Druggists, is the best tonic, and as a tonic for patients recovering from fever or other sickness, it has no equal.

RISLEY'S GENUINE GOLDEN BELL COLOGNE WATER according to the original formula of Prevost, Paris, so long and favorably known to the customers of Haviland, Harral and Risley and their branches, for its permanent fragrance is now made by H. W. Risley and the trade supplied by his successors, Morgan & Risley, Wholesale Druggists, New York.

THURSTON'S IVORY PEARL TOOTH POWDER.—The best article known for cleansing and preserving the teeth and gums. Sold by all druggists. Price 25 and 50 cents per bottle. F. C. Wells & Co., New York.

CARBOLIC SALVE unequalled as a Healing Compound. Physicians recommend it as the most wonderful remedy ever known. Price 25 cents per box. John F. Henry, Sole Proprietor, 8 College Place, New York.

CHRISTADORO'S HAIR DYE.—This magnificent compound is beyond contingency the safest and most reliable Dye in existence; never failing to impart to the Hair uniformity of color, nourishment and elasticity. Manufactury, 68 Maiden Lane, New York

SYAPNIA is Opium purified of its sickening and poisonous qualities. It is a perfect anodyne not producing headache or constipation of bowels, as is the case with other preparations of opium. John Farr, Chemist, New York.

KOSKOO.—This celebrated Medicine has attained a high reputation, as a reliable remedy for Purifying the Blood, Restoring the Liver and Kidneys to a healthy action and "Toning up" the Nervous System. In numerous and remarkable cures of the worst forms of Scrofula, Dyspepsia, Rheumatism, Liver Complaint, Kidney Diseases, Eruptions of the Skin, Nervous Prostration, &c., has caused it to become a standard remedy. It is now prescribed by physicians, and recommended by our best citizens. mhl-10m

STATE MATTERS.

☞ Our friends throughout the State will place us under obligations to them by furnish us with any items of news that may transpire in their respective sections, as we desire to make this department specially full.

C. N. B. EVANS, Esq., has retired from the Hillsboro *Recorder*.

About fifty colored men voted the Conservative ticket at Durham.

ELI WARLICK, Esq., of Catawba county, died a few days ago.

REV. CHARLES J. CURTIS has been ordained Rector of the Episcopal church in Hillsboro.

S. E. WARD, Register of Deeds of Rowan county, has the credit of finding the first open boll of cotton in his county.

SOME person went to the Poor House in Orange county last Monday night and cut off three inches of a mule's tail.

A NEGRO preacher and leading Radical has been arrested at Durham for stealing wood from the North Carolina Railroad.

SWIFT GALLOWAY, the Presidential elector for the Second District, will commence the campaign of his district at the first of September.

MRS. SALLIE WHITAKER has been committed to Orange county jail, charged with the murder of the infant recently found drowned in Morgans Creek, in that county.

The *Carolina Eagle* learns that a notorious Radical in Catawba county forced several colored men to vote his ticket by telling them that if they voted for the Conservatives he would send for the Yankees and have them shot.

MINERVA BLACKNALL, colored, while attempting to rescue her child from the rail road track at Durham, was struck by the engine and both she and the child thrown from the track. They are now in a critical condition.

The colored man William Tadlock, of Robeson county, who mysteriously disappeared some time since, has not been heard from and it is thought he was murdered by the man Blackman who robbed him of his wife and children.

[For the News.

The Election in Nash.

Editors News: Permit me to explain that part of the table relating to Nash county, in your local columns of Tuesday morning's issue. You place the Democratic loss, since Shipp's vote, at 182.

In that election only 1,768 votes were cast. Since that time a portion of Edgecombe county has been added, and on the Convention question 2,365 votes were polled, with a majority of 3 against." Hon. A. H. Arrington, the Conservative candidate, was beaten 40 votes.

In this election there were 2,577 ballots scored for Governor, being 809 more than the Shipp and Phillips, and 212 more than the Convention vote.

We increased Shipp's vote 304, and "Convention" by 103. We were not idle. We did our duty as faithfully as any county in the State. We had a Radical majority to overcome, and Sharp's money, Smith's money, and Carrow's money to contend with.

Rogers beats Smith, Lindsey defeats Sharp, and we boast a Sheriff, Register of Deeds, Senators, Surveyor, Coroner, Treasurer and one County Commissioner. Merrimon ran behind on account of his judicial acts while on the bench in discharge of his duty.

The county is thought to be safe for Greeley. Sharp, the head of all the Radicalism is bluffed off and sadly crippled. Cut off the head and the body withers and dies D. B.

KITTRELL SPRINGS, August 7.

Editor Daily News:—As you know, on Saturday last, several representatives of the press, who had been stopping for some time in your pleasant city watching the movements on the political chess board, taking notes and sending items abroad, left by the cars on the 10 A. M. train of the Raleigh and Gaston Railroad. Just here let us say a word respecting the management of this road, which, under the management of Dr. W. J. Hawkins, as President, and Capt. A. B. Andrews, as Superintendent, is entirely *unexceptionable*; they certainly have the right men in the right places, their conductors are all polite gentlemen, the one we travelled with, Mr. D. T. Ward, is a *model* in his calling; we wish we had more of his stripe all around on the railroads; the cars are clean, comfortable and well supplied with ice water. We came 37 miles to "Kittrell's Station," and at every place we stopped, the people flocked to the cars, eager to learn the result of the recent election, showing clearly the very very great interest felt, and as we announced the good news and gave them copies of your NEWS, they looked delighted, all seeming to be perfectly satisfied with what they read from your pen, and relying upon it implicitly.

We were met at the station by Capt. Thomas Arrington, Superintendent of the fine hotel here. Capt. T. L. Emry, Proprietor of the large hotel at Weldon. After a ride half a mile with these gentlemen in a nice omnibus, we came in sight of this lovely place on the slope of the hill in a beautiful shady grove, the cottages nesting under the aspins, the spacious grounds so handsomely laid off, so neat and couched with grass, the comfortable hotel, four stories high with five galleries, a very tasty style of architecture, with a large airy room in the centre, connecting with every part of the house, for dancing, all very conveniently arranged and capable of accomodating 550 guests. Down in the valley couched most handsomely by a spacious summer house is the celebrated mineral spring, whose waters have for many years proven a restorative to numerous invalids. On the grounds are large ten-pin alleys, billiard rooms, bath rooms, and last but not least, in importance, a well stocked *retreat* under the superintendance of Mr. I. W. Aycock, a specimen of a Carolina gentleman. On our alighting, the numerous handsome, well dressed lady guests were on the *qui vive* to see the *new* arrivals, doubtless either looking for their absent husbands or beaux who had been to their respective homes to vote. We were greeted by the courteous proprietor, Maj. T. H. Blacknall, and made at once to feel at home; nice well furnished rooms assigned us, and ere long summoned to the cool airy and spacious dining room in the basement, and partook of a spendid repast, at which all young and old were present, making up a tableaux of beauty not often gazed upon, and only equalled at night when all assembled in the ball-room to witness and participate in the customary hops. During the evening we enjoyed a rare display in the superior dancing of the accomplished Mrs. S*****, whose equal we have not seen for a long time on a ball-room floor.

The Sabbath passed delightfully—the ladies giving us a rich treat of sacred music—the gentlemen conversing about politics, election returns, the approaching Agricultural Convention at Petersburg, and other topics regarding the growing crop; many were practical farmers, and said much respecting the best methods of improving their lands, and the best fertilizers to be used, as used they must be by all; the great majority favored the use of Horner's "Maryland Super Phosphate," "Bone Dust," "Bone Meal," and "Tobacco Sustain"—manufactured in Baltimore, by Joshua Horner, Sr. Some favored appointing delegates to the Convention to inquire respecting fertilizers, etc., and some questioned the propriety of sending them unless positive assurances were given that accommodations would be provided by the people of Petersburg, where upon a large merchant from that place spoke up boldly in behalf of the profered hospitality of its citizens, assuring us all that ample preparations would be made for all delegates, &c. We hope to be present at the Convention and give you some details of its proceedings. We sincerely trust much good may be accomplished by it; nothing is more beneficial than an exchange of ideas among practical men. Among the 150 guests now here we would name a few, to give you an idea of the kind of society now enjoyed at this charming watering place, where everything that can contribute to one's enjoyment is at hand, and every employee tries to do his best to please: General Robert Ransom and family, Hon. M. W. Ransom and family, R. H. Smith and family, Judge W. A. Moore, A. Oldham and family, Colonel N. M. Long and family, Dr. H. T. Flanner and family, Hon. R. R. Bridges and family, L. W. Springs and family, T. L. Emery and family, Mrs. A. E. Slater and daughter, Dr. H. E. T. Manning, Maj. J. B. Neal and family, of Norfolk, M. E. Kull, Petersburg, Mrs. Laura Lewis, Alabama, Miss Kate White, Petersburg, and Miss Ida Morrison, of Wilmington. Many others are expected very soon to join us

Yours, &c., WAKE.

Frank Leslie's Illustrated Newspaper is the only illustrated journal in the country which supports the great Liberal Movement which has culminated in the nomination of Greeley and Brown at Cincinnati, and their Endorsement at Baltimore.

Judge Chase has gone to the White Mountains. He is very sick with Bight's kidney disease.

FOR SALE.

THE YARBOROUGH HOUSE FOR SALE.

By virtue of a judgment rendered at Spring Term, 1872, of the Superior Court of Wake County, in the action entitled William R. Pool, Executor of Edward Yarborough, dec'd, vs. Hannah H. Yarborough and others, the heirs and devisees of the said descendent, I will on

The 31st Day of August Next,

expose to public sale, on the premises, the valuable property known as the Yarborough Hotel.

This property is situated on the Eastern side of Fayetteville Street, in the city of Raleigh, and embraces about one acre of ground—it is one of the most central points in the city, being not more than four hundred yards distant from the Depots of the Raleigh & Gaston, the Raleigh & Augusta Air Line, and the North Carolina Railroads; within one hundred yards of the proposed Masonic Temple; the same distance from the Post office and Federal Court House; on the opposite side of the street from the Wake County Court House, and within five minutes walk of the Capital.

The hotel building is three stories high and contains forty-seven guest chambers, a dining room, two parlors, a reception room, office and three family rooms. The rooms are commodious and well ventilated; the passages are broad and spacious; the dining room, parlors and office are large, well lighted and comfortable, both in summer and winter.

All the buildings on the premises are in excellent order, and afford every convenience to hotel keeping.

The terms are as follows: One-fourth of the purchase money in cash; the residue in three equal instalments, bearing interest, at six, twelve and eighteen months from the day of sale; the first of the credit instalments to be secured by bond with at least one good surety, title withheld until payment of the purchase money; and so long as any part of the purchase money remains unpaid, the purchaser to insure the buildings on said lot, in a sum equal to such unpaid balance, the loss, if any, to be applied to the payment of said purchase money; and should the purchaser fail so to insure the said buildings, I shall have the power to effect such insurance and the money so expended by me to be deemed a part of the purchase money, bearing interest from date of expenditure, and be payable at the same time with the instalment of purchase money next thereafter falling due. WILLIAM R. POOL,

Ex. of Edward Yarborough, dec'd.

VALUABLE LAND FOR SALE IN THE COUNTY OF WARREN.

I offer for sale, five hundred and two (502) acres of land, situated in the county of Warren, on Shocco Creek, adjoining the Sulphur Springs. Tract of Col. J. M. Heck, on both sides of the Turnpike Road, leading from the Sulphur Springs to the flourishing Town of Ridgeway, on the Raleigh & Gaston Railroad, and nine miles from the latter place. There is an Overseer's house, three cabins, corn-crib and stables on the premises. About one-fourth (¼) of the tract is in original growth of oak, hickory, &c., one-fifth in second growth pines. The soil is sandy, loam and chocolate—surface undulating—well watered, and about 80 acres of rich bottom land. It yields excellent crops of corn, tobacco, wheat, oats, clover, &c. This is one of the best tracts of land in this section, and will be sold on reasonable terms.

Dr. George Fields, who resides near the land, will take pleasure in showing it to persons wishing to examine it, and is authorized to negotiate for its sale.

SPECIAL FEATURES AND ADVANTAGES.

1st. No restriction on Residence or Travel.

2d. No extra charge on lives of Females.

3d. Policies incontestable after Five Years

4th. The rates of Interest on the Funds of the Company are higher than those on the Funds of Companies located in other States, thus insuring larger Dividends to Policy Holders.

5th. The Directors and Officers of the Company are prominent NORTH CAROLINIANS, who are KNOWN to be men of INTEGRITY and WORTH.

6th. The Company is established on a solid and permanent basis, steps having been taken to increase the Capital Stock to $500,000.

7th. ALL THE FUNDS OF THE COMPANY ARE INVESTED IN THIS STATE AND CIRCULATED AMONG OUR OWN PEOPLE. This fact should commend the Company, above all others, to North Carolinians. It is well known that hundreds of thousands of Dollars in Life Premiums are annually sent North to enrich Northern Capitalists, thus continually draining our people of immense amounts which should be kept at home. On this ground the friends of this Company confidently appeal to every son of the Old North State, and ask their support for this HOME INSTITUTION, which, while it offers substantially all the advantages of Northern Companies, helps to build up HOME INTERESTS.

GENERAL GRANT OF THE U. S. A.

AIR—"*Captain Jinks.*"

I was General Grant of the U. S. A.,
With nothing to do but to lounge all day,
And drink and smoke and draw my pay
As General of the Army.
I had shown the rebels how to fight,
How to fight, how to fight—
I had shown the rebels how to fight,
And I was the pet of the army.
I was General Grant of the U. S. A.
I fear that I will rue the day
When I gave up the honors and pay
Of the General of the Army.

I am now President of the U. S. A.,
Not so much to do, and less to say
With plenty of gifts and better pay
Than as General of the Army.
I give my relations each a place,
Each a place, each a place,
I give my relations each a place,
But not the men of my army.
I was General Grant of the U. S. A.,
I fear that I, etc.

Fred 's a Lieutenant of the U. S. A.
He has gone to Europe on full pay,
And with him has gone, in a dunkey way,
The General of the Army,
Fred shows the foreigners he can take,
He can take, he can take—
Fred shows the foreigners he can take
Gifts as well as his daddy.
I was General Grant, etc.

I should like to be President many years,
But I begin to have my fears
They will cut off my head with political shears,
And vote for Horace Greeley;
And then I shall not be President,
President, President—
And then I shall not be President,
Nor General of the Army.
I was General Grant of the U. S. A.
I fear that I shall rue the day
When I gave up the honors and pay
As General in the Army.

HIGH GRADE

Super-Phosphate of Lime.

Composed entirely of the Charleston Rock Phosphate, Sulphuric Acid and Ammonia. Warranted to analyse seven per cent. Soluble Phosphoric Acid and one per cent. of Ammonia.

We are prepared to offer this reliable and superior Super-phosphate—after a test of more than five years in the cotton growing States of South Carolina, Georgia and Alabama, where its record is second to no other manufactured—not excepting Peruvian Guano and Pure Ground Bone, (having a better record for cotton than those) to Planters and Dealers—in any quantity—at any railroad depot in the State, or at the factory, upon satisfactory terms.

Price per ton, delivered at any station on the Raleigh and Gaston Railroad east of Henderson, or on the Wilmington and Weldon road north of Rocky Mount, for cash.

Put up in bags—very stout—for immediate use—or in good barrels—which we recommend as better, owing to the high grade of the article as ordered. Circulars and testimonials furnished upon application. All orders and communications addressed to
